a groundbreaking program to help you cut back or quit drinking entirely in the privacy of your own home

baggage has gotten a bad rap we think it's all bad we think it makes us less likely to have good healthy relationships today but baggage isn't just the bad stuff that happened to us in the past it's the lessons we've taken from the pain we carry it's how what we've been through has actually made us stronger and more capable than we imagine and it's how we're going to make our current relationships work far from minimizing past pain pastor ike miller shows you how to go through the baggage you carry from a difficult childhood and pull out the good stuff the intentionality you've developed the empathy you've gained the trust you value so highly miller shares from his own past in a dysfunctional family impacted by alcoholism and divorce and his present as part of a healthy and loving family to illustrate how to stop letting your past sabotage your present you'll find no platitudes or pat answers here rather you'll discover untapped riches of experience and knowledge you already have that can make your relationships thrive and change the course of your life and legacy

a great book for completing the 12 steps of alcoholics anonymous it includes four simple yet powerful worksheets for doing aa's 4th step and a very simple and powerful approach to step 7 this revised addition also includes a new appendix describing how the author sponsors newcomers

as the coronavirus pandemic isolates us from many of our circles the power of family connections to help loved ones succeed in recovery is as essential as ever counselor and interventionist debra jay shows alcoholics other addicts and their loved ones how to work collaboratively and as individuals to take on the roles and responsibilities that support long term sobriety most books on recovery from addiction focus either on the addict or the family while most alcoholics and addicts coming out of treatment have a recovery plan families are often left to figure things out for themselves in it takes a family debra jay takes a fresh approach to the recovery process by making family members and friends part of the recovery team beginning in the early stages of sobriety in straightforward compassionate language she outlines a structured model that shows family

members both how to take personal responsibility and to build a circle of support to meet the obstacles common to the first year of recovery together family members address the challenges of enabling denial and pain while developing their communication skills through practical easy to follow strategies and exercises designed to create transparency and accountability with this invaluable guide family members work together as they reinvent their relationships without the all consuming dysfunction of active addiction

this revised and expanded third edition of the gold standard for intervention provides clear steps for harnessing the power of family friends and professionals to create a better future with loved ones suffering from addiction over the course of the last twenty years love first has become the go to intervention guide for tens of thousands of families this trailblazing book empowers and equips families and friends to use the power of love and honesty to give their addicted loved ones a chance to reach for help updated with the latest addiction science as well as insights gained from decades of front line experience in family interventions this revised and expanded edition contains practical tools for taking the next step together transforming the intervention team into an ongoing community of loving support lasting accountability and lifelong recovery
