analyze the controversial side of indira gandhi s political legacy with indira files offering a critical examination of her leadership and policies i have always felt that indira gandhi is the exceptional and foremost example of the dynastic politics of independent india she is a perfect example of dynastic rule on one hand she is called the iron lady on the other hand people pay tribute to her dictatorship for imposing emergency in the country where on one hand indira gandhi carved her name in golden letters in indian history by dividing pakistan into two on the contrary she has also endured the slogans like sanjay ki mummy badi nikammi for blindly loving her son like gandhari loved duryodhana nonetheless we cannot forget that it was indira gandhi who gave wings to india s strength and courage by conducting the nuclear test however she was also the prime minister for whom the high court issued orders to be removed from her office in fact indira gandhi is merely a symbol of dynasty politics the point here is to remind the young people that they cannot strive for ideal politics by

idolising those who have flourished through family inheritance of post or position in today s scenario there are numerous political parties that operate under a single family s control although i hold great admiration for indira gandhi however her darker side is perhaps more prominent hence i believe that young aspirants who are interested in politics can learn valuable lessons from this book on what not to do

the greatest revolution in a country is the one that affects the status and living conditions of women the fall of india from her high status was partly atleast due to the deterioration of the status and position of women in india congress stands whole heartedly for equal citizenship of women with men so far as i am concerened i think that women should be treated on the same level as men educationally and economically and industrially he downtrodden sections of society who have been trampled upon for centuries are our special responsibility we must help them to become strong and bold and take their

place in society women are more responsible even than men for the next generation and unless they are enabled to participate fully in all national activities the progress of the nation suffers the congress is therefore of opinion that every effort should be made to open out opportunities of service for them in the legislatures and in social activities
